Course Description:

This course is designed to assist public safety personnel only in identifying individuals who are under the influence of drugs. Public safety personnel will develop skills and confidence in evaluating individuals suspected of being under the influence of stimulants, opiates, hallucinogens, and marijuana. The course will also give the officer a basic knowledge of other drug-related matters as indicated below.

Topics Include:

- Drug Influence Recognition
- Signs and Symptoms of Drug Use
- Informant Development Tips
- History of Drug Abuse
- Report Writing Techniques
- New Drug Trends
- 4th and 5th Amendment Issues
- Officer Safety Issues
- Drug Packaging
- Developing Expert Testimony
