Firefighter Academy Program selection process

Applicants who have completed all prerequisites by the end of Spring 2021 semester will be placed into a common group. Applicants will be randomly selected from the common group and notified if accepted. Alternates for the program will be selected by the same method.

Applicants who will be completing **any** prerequisites during the Summer 2021 semester must turn in proof that they are registered for the prerequisite course(s) before the application deadline. A print out of your student portal is acceptable. These courses must be completed with a passing grade before the start of the academy. These applicants will be considered on a space-available basis.
