Ranger Academy Uniform Requirements

The Law Enforcement Ranger uniform is a traditional symbol of law enforcement organizations throughout the nation and is symbolic of the dignity and authority of the law enforcement profession. The green and gray ranger uniform has therefore been adopted as a means by which the ranger recruits of Santa Rosa Junior College may be readily recognized by the general public.

Rangers are required, at all times, to conduct themselves with the dignity and decorum which the public expects of those who serve and protect. When the uniform is worn, care must be taken that it fits properly, is neat, properly pressed, and clean. All articles of the uniform worn by SRJC ranger recruits must conform to regulations and in accordance with instructions.

Your complete uniform is required for the first day of class
